

I'm sure everybody has heard the horror stories surrounding an event where someone hired a DJ because they were a "friend of a friend"; only to find out they were not qualified to handle the small details involved in making an event run smoothly, or for that matter never bothering to show up.

Or they showed up with a handful of CD's in a milk crate and attempted to play them with their home stereo equipment.

Big T's Entertainment uses only the finest state of the art, professional disk jockey equipment. Call today for a price quote or to book a show.

Big T's Entertainment is a full time DJ company and we are proudly sponsored by Miller Lite, 98 Country and Mainstreet Music.
