St. Cloud's Country Music Station!

Big T's Entertainment is a full-time company and proudly sponsored by Miller Lite, 98 Country, Mainstreet Music, Bluebirdshopper, Custom Apparel Products, and Weddings By Jeni. We have attempted to ease all the pressure of selecting the perfect DJ for your event by simply visiting our web site at: www.bigtsentertainment.com where you will find an enormous amount of information. Many questions that may arise while deciding on a company such as: pricing, music library, reputation, and equipment are just some of the details you will need to compare while selecting a company.

At Big T's Entertainment, you will never have a high-pressure sales person breathing down your neck.

There are a number of companies out there charging a lot less for their services and just as many charging a lot more. What will you be sacrificing for saving a few bucks? Sound quality, music variety, professionalism and last but not least reliability. What exactly are you paying for with the high priced organizations? They're advertising budget, equipment that is impractical for your event, finder fees, and commissions.

Every single event performed by Big T's Entertainment receives superb personalized service, the finest in modern technology, exceeding our customer's expectations, and the widest variety of music/karaoke available in Central Minnesota. By keeping these our priority, we are guaranteeing you the best celebration possible. Big T's Entertainment is equipped to run up to 4 shows on any given night.

We have never overbooked, missed, or canceled a contracted event and we never will.

Our best advertising has been referrals and repeated business. We work very hard to create an atmosphere worth remembering and our clients call upon us time and time again! We have an outstanding reputation to uphold therefore your special day or event is equally important to us as it is to you and your guests.

Take Care and God Bless,

Big T
